## REMEMBER:

Because of the Radisson's new methods, you will be paying the club for your dinner. It would be helpful if you have correct change or a check. Thanks.

## REMEMBER 2

Also, remember that someone will be calling you to confirm whether or not you will be eating at the meeting. The Radisson now requires a number. Please return calls or emails if you aren't home when contacted is attempted.

## HIGHWAY CLEAN-UP

Lion Mike would like to thank the 9 members who showed up to pick up the trash along I-86. Although it started out cold, we quickly warmed up. See pictures on the club website.

## RAMP

Lions Joe C and Brad would like to thank the 11 Lions and 2 guests who helped install the temporary ramp on October 3. It only took a few false starts to figure out how to put the pieces together. The family was thrilled with the result. See pictures on the club website.

## **SALVATION ARMY AUCTION**

The Auction in December is a fun time. For our new members, people bring in wrapped “gifts” which can be either new items, gag gifts, or “white elephants” (items you have around the house that you no longer need!) and they are auctioned off to the members (spouses and guests are also invited to this meeting.) Several of the members save their donation to the SA for this night so some of the gifts are sold for much more than they are worth. On the other hand, something nice might be sold for less than its value. Most importantly, we have a lot of fun!!!  
**Second most important – you don’t need to bid on anything if you don’t want to.**

## **FALL CONFERENCE**

In case you remember that we normally have a district conference during the first week-end of November, this year it has been postponed until spring. More information to come later.

## **OFFICERS 2020-21**
