BELL RINGING

Thanks to everyone who helped with the bell ringing. A total of \$847.37 was raised.

SALVATION ARMY AUCTION

Donations from the members totaled \$2075 plus the club donated the \$1500 toward the turkeys for Christmas dinner.

GUEST SPEAKER

Our guest speaker on Dec 17, was Hilary Mosher from the Partnerships for Regional Invasive Species Management. She presented a lot of very important information about plant species that are invading New York. You can go to www.nyimainvasives.org to see some of the information. Another website is www.fingerlakesinvasives.org which talks about plants invading the lakes.

FIRST MEETING

Our first meeting of 2021 will be Thursday, Jan 7 by Zoom. I hope you will all try to log in to the meeting. I think it will be at least a couple of months before we feel comfortable meeting in person again. If the 94-year-old Queen of England can do Zoom, so can you!!! If you would like to have a practice session before Thursday, just contact Lion Ed and he will set it up. He can then call you on the phone to talk you through everything.

OFFICERS

Believe it or not, it is not too early to be thinking about officers for next year. Remember that the more you put into the club, the more you get out of it. See Past Pres Walt or Anastasia to add your name to the slate. We need a 2nd Vice President in addition to all the other officers.

STATE CONVENTION

It is hoped that we will be able to have a State Convention this year in Syracuse May 14-16. If we do, it would be nice to have members there to support Lion Walt as he is elected 1st Vice District Governor.
